Eastern Service of the B.B.C. States Secretary of State, has election was described as yesterday broadcast a talk on the electrical industry of ference meeting here that his dom" by Andre Colin, Secre-China. It was given by D. delegation would not take part try-General of the French

英國國皇命伊斯氏氏播籍中國電報 refrain from supporting any resolution which might appear L 黑固菌 中原氏脊髓平阴間會對露 個問題,作為持续所变。

Mr. Buist speaking of the missions report said "our report seeks to give sufficient information to show the trend of electrical development in China including Manchuria and Taiwan. I think it is no overstatement to say that in the great rivers of China there is a potențial development of louding the sein vivence electric power amount. In the last of the great rivers of China there is a potențial development of hydro-electric power amount. In the last of the specific power amount. In the last of the specific power amount. In the last of the specific power amount igate the colonial problem. The specific power amount is a potențial development of hydro-electric power amount in the great rivers of China there is a potențial development of hydro-electric power amount igate the colonial problem. The specific power amount in the great rivers of China there is a potențial development of hydro-electric power amount igate the colonial problem. The specific power propried control problem. The specific power propried control problem. The specific power propried of the first million dollars which recomments were: Youn Deblos, Radical Dest Chief propried six Chinese cities Shanghai, Nanking, Tsingtia, Peiplng, Tientsin and Canton and emocratic government without Pascista.

Mr. He ICEF, program of the ICEF, program of the first million dollars which those first results. All the elements are present for a democratic government without the specific program with the propried of the first million dollars with those first results. All the elements are present for a democratic government without the propried of the first million of the first million of the first is a potential development of hydro-electric power amounting to at least 15 million kilowatts or fifteen times the present power plant installed throughout the country, Add throughout the country, Add to this the unlimited capacity of steam power plants that could be supplied from the vast coal deposits of China and you get a broad picture confirming that electrical development, comparatively speaning that electrical development, comparatively speaning that electrical development, comparatively speaning that emerged is a protection of the colonial problem. 

| Fascists." | Fascists

伊氏談到了該國的報告,說:[ 在報告裏,我們儘力供給了中國( 包括東北和台灣)電氣業發展傾向 的情報,如果說在中國的河流裡傷 藏着一千五百萬瓦的電力(約當中 國全境現在電力的十五倍),决非 過言。此外,由於中國之應大儲煤 量,將來火電的設置量,也必無窮 O綜合來看,遠景是很好的;只是

### 我國學校英語教學法之探討 Should The Average Chinese Student Study English?

Wang Chin-jen

王進仁著 (譯自密勒氏評論) Western Europe have pared EDITOR'S NOTE :- The author's basic viewpoint in regards to the study of English in Chinese schools is largely shared by the editor of this paper. But it must be also made clear that we haven't the least idea of advising anyone to engage an English teacher who speaks good English but knows nothing else in English reaching (such as in the case of a few foreign middle school to university. I teachers we chanced to have). We only want to do not flatter myself that I say that stresses be laid on spoken English as well have anything original to conas on English writing, grammar and other things so tribute, but if there be but that perfect, practicable and sound English know- one thing in my article which ledge might be achieved.

It has been my privilege to cerned about the same subject mode of teaching, then I have Affairs that France needs 328 Britain has prohibited the im- read with keen interest and that I am inspired to write no right to keept it to mymillion dollars, Italy 227 mil- portation of tobacco, has ra- great satisfaction the article an article to verify and to self. million dollars, Italy 227 mil- portation of tobacco, has a large written by Mr. Osvalt Sunne consolidate the arguments that 許多中外作者,都會寫過文章; with which to buy essential time, with a limit of three on a The Study of Foreign more importance should be atimports until March 31, 1948. pounds per person each week, Languages in Chinese Schools" tached to spoken English than 因此!中國一般學生學英文究竟有用學生學文文究竟有 that Congress appropriate the ration from 10 to 8 ounces Weekty Review several weeks lish, and that due attention 前下自初中上至大學都把英文看成 total of these amounts, 597 and becon from two to one ago.
